1. Purpose

Integrity is fundamental to the credibility, fairness, and sustainability of sport. USA Shooting is committed to upholding the principles of honesty, ethical conduct, and fair competition, ensuring that all participants engage in sport in a manner that maintains public confidence and respect, and is consistent with the International Olympic Committee “IOC” Olympic Movement Code on the Prevention of the Manipulation of Competitions and the International Paralympic Committee “IPC” Codes of Ethics (as applicable). This policy recognizes the increasing risks to sporting integrity, including corruption, match-fixing, misuse of insider information, and other inappropriate involvement in sports betting. Such behaviors threaten the core values of sport and undermine the safety, welfare, and reputation of athletes, officials, organizations, and competitions.

This policy provides a framework for identifying, mitigating, and responding to integrity threats; outlines prohibited conduct for all participants; sets forth USA Shooting's expectations and responsibilities in such regard and supports education, monitoring, and enforcement measures to protect the sport from improper influence. This policy does not attempt to provide an exhaustive list of every possible circumstance in which an integrity threat may occur. Instead, by promoting awareness, accountability, and transparency, this policy aims to safeguard fair competition, protect participants from harm, and preserve the trust of fans, stakeholders, and the broader sporting community.

2. Applicability of Policy

This Sport Integrity Policy is applicable to all USA Shooting Covered Individuals as defined below. Where reasonable and relevant, USA Shooting contractors will be required to comply with this policy in their contracts.

All Covered Individuals who participate in an Applicable Competition as defined below are required to comply with the integrity standards outlined in the policy. Integrity obligations commence from the time a participant is selected, accredited, or otherwise becomes eligible to participate in an Applicable Competition and shall continue until all competition-related obligations, including post-event processes, have concluded.

3. Definitions

“Applicable Competition” refers to any competition that is sanctioned, authorized, conducted, administered, or otherwise recognized by USA Shooting, whether domestic or international; any event or activity in which USA Shooting selects Covered Individuals to participate; and any competition where the U.S. Olympic & Paralympic Committee (“USOPC”) officially designates entrants. Applicable Competitions include, but are not limited to, the: Olympic and Paralympic Games; Pan American and Parapan American Games; World Championships and other major international competitions where individual and/or team selection is made by USA Shooting; and National championships and trials that serve as qualification events for Applicable and Protected Competitions.

“Covered Individuals” include all USA Shooting staff, members of the USA Shooting Board of Directors, committee, task force members and/or others with access to high performance information, coaches, athletes, national team members and staff (including all administrators and support personnel), and officials.

“Insider Information” is any non-public information that could affect competition outcomes or be used for betting purposes. Examples of Insider Information include, but are not limited to, non-public injury or health information; team selection decisions prior to public announcement; competition strategies or tactics; and training or coaching details.

“Sports Betting” or **“Sports Wagering”** includes, attempts to bet, offers to bet, agreements to bet, soliciting betting, facilitating betting, or inducing another to bet on an Applicable Competition, whether or not the wager is ultimately accepted or settled.

E. Duty to Report and Cooperate

All Covered Individuals have a continuing obligation to promptly report to USA Shooting and/or the USOPC any conduct, incident, approach, invitation, or information the individual knows, suspects, or reasonably should suspect, may constitute a violation of this Sport Integrity Policy or any related integrity rules (e.g., USA Shooting's Code of Conduct, the IOC/IPC Code of Ethics). Failure to report such violations may be considered a violation of this policy and may result in disciplinary action or related sanctions.

All Covered Individuals have a duty to cooperate with USA Shooting and/or the USOPC in investigating violations of the USA Shooting Sports Integrity Policy and the USOPC Sport Integrity Policy. Cooperation may include sitting for interviews within a reasonable amount of time and providing documentation. Note that the failure to cooperate with any investigation may be considered a violation of this policy and subject the individual to sanctions.

5. Procedures for Reporting, Reviewing, and Managing Reported Integrity Concerns

Integrity concerns must be timely reported to Ethics@usashooting.org. All properly filed concerns will be investigated and resolved in accordance with the USA Shooting Bylaws and the investigation procedures outlined in the USA Shooting Code of Conduct and the Complaint/Grievance Policy and Hearing Procedures, as appropriate.

Anyone reporting a perceived violation of this policy must be acting in good faith and have some basis for believing a violation may have occurred. Anyone who makes a false report knowing that it is false or that it has no basis is in violation of this policy and the USA Shooting Code of Conduct. Such a violation may itself be reported under this policy and may lead to serious consequences.

USA Shooting has a zero tolerance for retaliation against individuals who make good faith reports of potential ethical, policy, or legal violations, and who cooperate with investigations of the report. Consult the USA Shooting Whistleblower and Anti-Retaliation Policy for more details.

Individuals may also report integrity concerns to the USOPC Integrity Portal and/or the IOC/IPC Integrity Hotlines. Upon receipt of any reported integrity concern involving Protected Competitions (as defined by the USOPC Bylaws), USA Shooting will immediately notify the USOPC Chief Ethics & Compliance Officer of the potential violation(s). USA Shooting is committed to assisting the IOC/IPC, the International Shooting Sports Federation (“ISSF”), and the USOPC in ensuring integrity in sport. Where the IOC/IPC, the ISSF, or the USOPC assert jurisdiction over an integrity review or investigation, USA Shooting and all USA Shooting Covered Individuals will fully cooperate with the review. USA Shooting will recognize and enforce integrity-related sanctions issued by the IOC/IPC, the ISSF, and/or the USOPC.

6. Education and Training

The sports integrity landscape is ever evolving. To assist in promoting a culture of integrity, transparency, accountability, and respect for fair competition USA Shooting on an annual basis will provide Covered Individuals with materials designed to support education and awareness of key sport integrity issues, including, but not limited to: competition manipulation, sports betting, misuse of Insider Information, reporting obligations, and ethical decision-making. By building knowledge and practical understanding, the materials aim to equip athletes, coaches, officials, administrators, and support personnel with the tools to recognize integrity risks and to appropriately respond.
